

A low-angle, upward-looking photograph of several modern skyscrapers with glass facades. The buildings are dark, and many windows are illuminated from within, creating a grid of warm yellow lights against the blue sky. The perspective makes the buildings appear to converge towards the top of the frame.

About NAI Harcourts Pinnacle

NAI Harcourts Pinnacle is a Commercial Sales and Leasing firm situated in Aspley, and specialising in the sale and leasing of commercial property on the Northern Side of Brisbane.

Our Director, Phil Grant, has an honest, genuine nature and is old fashioned in that he believes handshakes should still be a sign of agreeing on a deal in the business world. He has spent the last decade specialising in the Brendale Industrial Precinct, and has immaculate, acute knowledge of the area. Phil also has experience in selling and leasing property all over Brisbane, from Caboolture to Mt Gravatt and various suburbs in between.
